About Aimee

Hi! I'm Aimee and am so excited God called me to this ministry where I get to meet and care for your sweet children. Raised in the mountain area, I've been working with kids for 16 years after earning my Bachelor's in Early Childhood Education. As an educator, I value individualized learning, special needs education, fine motor skill development, playing with purpose, and...patience!

It's a cooperative!

Parents are children's first teachers and so we've designed this program around that. Parents assist with in- class learning every day, volunteering once or twice a month ensuring that preschoolers can learn from a variety of supportive and safe adults!

Kids really learn here!

We believe that kids learn best when they're having fun so we focus on creating learning opportunities through play! We also keep our classes small so everyone can grow together!

Point your kids in the right direction— when they're old they won't be lost.
(Proverbs 22:6)
